## **PERSONAL ATTRIBUTES**

8. The primary objective of this Course is to teach you every step of the Real Estate Development Business so that during the Course you will actually complete a professionally packaged Development or Development Joint Venture ready for investors and financing. Section 4 of the Course teaches you a proven method to get joint venture investors to call you. How many hours per month can you commit to study and complete Assignments, exams, follow Mentoring guidance if you are accepted into this Course?

9. Please provide examples of your entrepreneurial spirit of accomplishments:

10. The Real Estate Development Mentoring - Certification Course is a comprehensive, nuts and bolts, in the trenches Program suited only for serious-minded individuals who are prepared to study and learn and complete all Assignments, exams, follow private Mentoring counsel because they want and need to control their financial future (by creating equity positions in developments) and because they are looking for an Interactive Mentoring Course (The only Program in the World offering Private, One-On-One Mentoring from Richard Michael Abraham) to instruct, counsel and groom them; and because they want experience-oriented knowledge (not academic theory) and need to avoid costly development mistakes; and because they seek to build a better future and control of their future and income. And because they want to become involved in the equity of a “real” development joint venture during the 6-Month Course. Precisely, what motivates you to excel in this Course? Please explain:

11. Describe what you feel are your distinctive personal qualities, unique abilities and skills.

12. Educational Background:
